Rotary membership involves a commitment to “Service Above Self”. In our club, members contribute by donating or raising money, giving their time and effort to project, or all of these. How do you see yourself contributing?

Why are you interested in joining Rotary:

Because our club's focus is working with/helping children, do you have a particular interest or aspect of service that you would like to pursue through Rotary? Yes / No

Have you been a member of Rotary before? Yes / No

If yes, where were you a member and what was the duration of your membership?

## Membership Dues & Fees

Initiation Fee: \$144  
Annual Dues: \$248 discounted to \$200 if paid prior to July 1 each year.  
(Covers July 1 through June 30 of the next year)

### **Joining as a new member:**

New members will be charged the one time Initiation Fee and the annual dues prorated based upon when they join.

Examples: New member joins September 15<sup>th</sup> or March 1<sup>st</sup>

September 15 <sup>th</sup>	or	March 1 <sup>st</sup>
Initiation Fee: \$144		\$144
Prorated Dues: <u>\$186</u> (3/4 yr)		<u>\$ 83</u> (1/3 yr)
Total: \$330		\$227

### **Donations:**

Although there is no direct requirement to make donations to Rotary, club members are encouraged to become Paul Harris Fellows. A Paul Harris Fellow is a member or person who has contributed \$1,000 to the Paul Harris Fund. The fund is used to support both local and international projects. For our club, the goal is to have every member contribute \$100 per year toward becoming a Paul Harris Fellow. That means that any member can become a Paul Harris Fellow in 10 years.

### **Attendance:**

All Rotary members are required to keep their dues current and to participate in a minimum of 60% of our annual meetings. This is quite easy to do since attending a meeting at another club (anywhere in the world) counts as a makeup as well as credit for extra time spent on projects such as Wishes On Wheels, Polish Festival Fund Raiser, Adopt a Class, the worldwide eradication of Polio etc. There are approximately 44 meetings per year which means we expect members to accumulate attendance equal to 26 of them.
